November 1, 2023

To whom it may concern:

Rockets Minor Basketball is a registered non-profit organization (3056146) led by community volunteers and fundraisers. Our members are from all over Dartmouth including Eastern Passage, Cole Harbour, Woodlawn, Westphal, Montebello, Porters Lake and more. We believe in having both recreation teams and competitive teams and making sure every kid has a place to play the game of basketball.

We will hold our first big fundraiser to help raise funds to offset rising equipment and gym rental costs. As our club continues to grow, so do demands for new gear and additional gym time.

We are looking for your help to gather items for a Bingo + Silent Auction in mid-December as well as a live auction planned for the new year. Our first event is December 16<sup>th</sup>, and we are looking to collect donations through the month of November.

Items can include (not limited to):

- Gift Cards for Meals, Services and more
- Auction Items
- Canteen Items
- Wine or Liquor for a Wine/Liquor basket(s) to raffle
- Merch or Game Passes for various events and sports teams around the city

If you have any questions or to arrange drop off of any items - please reach out to our fundraising team of Zarina O'Donnel, Tanya Deveau and Laverne Withers at [fundraising@rocketsbasketball.ca](mailto:fundraising@rocketsbasketball.ca) or [treasurer@rocketsbasketball.ca](mailto:treasurer@rocketsbasketball.ca)

We thank you for helping us continue to put smiles on kids faces and giving them a place to play.

Respectfully,

Rockets Fundraising Team
